FUNDAMENTALS

COURSE THREE:

Original TCF Form Training Performed Standing

Milwaukee Area, Wisconsin

June 5-6, 2020

November 6-7, 2020

Instructor: Patricia Culotti

Prerequisite: Course One: TCFA Basic Moves

Options: One or Two-Day course

"A remarkable gift to the world of rehabilitation...brilliant, inspired work."—Jennifer M. Bottomley, PT, MS, PhD, President: International Organization of Physical Therapist working with Older People

"...an important study of the basic movements of taiji and teaching methods that will enhance an advanced student's or teacher's appreciation of the form."
—Noah Nunberg, review in *Journal of Asian Martial Arts*

"Tai Chi Fundamentals is the simplest and easiest to learn. It is a unique exercise for all ages and physical conditions"—William C.C. Chen, Tai Chi Grand Master,

".... It will be of value to anyone who practices or is ready to fall in love with this wonderful art."—Kenneth S. Cohen, M.A. author, *The Way of Qigong and Healthy Breathing*

Approved for 12 CEUS by Wisconsin
Physical Therapy Association

PROGRAM DESCRIPTION

The Tai Chi Fundamentals® Program (TCF) provides a prequel to a lineage tai chi form, and creates a bridge between tai chi and the medical model. The first program of its kind, it provides a clear, systematic approach for mastering tai chi basics that builds from simple to complex movements. Integrates mind/body components of tai chi with movement analysis, clinical overview and functional applications.

Program Elements: movements are taught in a motor development progression and Includes:

-**Basic Moves** a series of exercises that trains postural alignment, body mechanics and energetic components of tai chi. Designed as building blocks for learning tai chi, they are taught in a simple-to-complex progression with discrete, measurable increments in difficulty and have applications as assessment and intervention tools.

-**Original TCF Form:** Flowing sequence of simple to more complex movements of a modified Yang Style Tai Chi form.

- **Mind/Body Skills Training:** integrated into both Basic Moves and Form instruction. Fosters attention and focus, a calm observant state of mind, awareness of posture and breathing and physical relaxation. Characteristic of all traditional tai chi practice, it fosters cultivation of healthy qi or vital energy.

Development: in 1996 by Tricia Yu, MA and Jill Johnson, MS, PT, targeting elements from traditional tai chi that enhance balance, coordination, strength and endurance.

TCF has been featured in: *PT Journal, Journal of Rehab Management, The Gerontologist, APTA's GeriNotes, Medline Plus, Topics in Geriatric Rehabilitation, Journal of Asian Martial Arts, Wellness Program Management Advisor, ACSM's Health and Fitness Journal, and Massage and Bodywork.*

CERTIFICATION

Requirements: minimum of 30 contact hours, individual home practice, application, fees, demonstration of movement proficiency, and written exam. Usually takes 4-12 months study before applying. Experienced tai chi practitioners need less.. information& application: www.taichihealth.com
