Intensive Descriptions:

TCF Movement/Analysis Intensives

WPTA CEU- Approved for 3 Contact Hours

NMPTA CEUS

Review and refine all TCF Movement Patterns and form sequences of your choice. Includes small group and individual practice. We explore ideas for teaching and constructive feedback. This is ideal training for enriching personal tai chi practice, for working toward TCF certification and for those interested in keeping their certification current. Bio-mechanics analysis provides in-depth focus on movement mechanics for those interested in this aspect of teaching and training –especially for those teaching this system and health care practitioners using TCF in their practice. Patient Handout Software database available through Visual Health Information http://www.vhikits.com/

Tai Chi Fundamentals® & Energy Cultivation Intensives

WPTA CEU- Approved for 6 Contact Hours; NMPTA CEUS

This course combines review of TCF Movement Patterns and form sequences with training in important energetic components that apply directly to the TCF program that can be documented for reimbursement. Includes relaxation and sensing qi processes practiced lying down, seated, standing and moving. All movement patterns, TCF form and sensing qi exercises are available in The Tai Chi Fundamentals[®] Patient Handout Software database available through Visual Health Information http://www.vhikits.com/

Yang Style Cheng Man Ch'ing Lineage Form Intensives

3 and 6 hours

Learn exercises for cultivating flexibility, strength, relaxed awareness and skill in sensing qi during form practice. Applications: every breath, gesture and situation of life. Review and refine form sequences of your choice. Includes small group and individual practice. We explore ideas for sharing, self correction, two person work and constructive feedback. Ideal both for enriching personal tai chi practice and developing teaching skills. If you are interested in becoming or already are a tai chi teacher –these are essential trainings.
