Intensive Descriptions:

TAI CHI FUNDAMENTALS® INTENSIVES

Ideal for Tai Chi Fundamentals® (TCF) certification preparation and for keeping certification current in both the TCF Adapted Program and Original TCF Program. Great training for class instructors, health professionals applying TCF therapeutically and for enriching personal Tai Chi practice. Also exploring Sensing Qi or Energy Cultivation practices.

Focus: review and refine TCF Basic Moves and Form for either TCF Adapted or Original TCF Programs. Includes teaching skills development, movement analysis, functional applications, Mind/Body Skills Training in breathing, relaxation, sensing qi (vital energy) and visualization, plus coaching in constructive feedback and helping students improve their postural alignment. Licensed health professionals can document all program elements for reimbursement. Basic Moves, Original TCF Form and sensing qi exercises are included in The Tai Chi Fundamentals® Patient Handout Software database available at Visual Health

Tai Chi Fundamentals® Movement Refinement and Certification Preparation Intensives

WPTA CEU- Approved for 6 Contact Hours;

NMPTA CEUS

Ideal for Tai Chi Fundamentals® (TCF) certification preparation and for keeping certification current in both the TCF Adapted Program and Original TCF Program. Great training for class instructors, for health professionals applying TCF therapeutically in their practice and for enriching your personal Tai Chi practice.

Focus: review and refine TCF Basic Moves and Form for either TCF Adapted or Original TCF Programs. Includes teaching skills development, movement analysis, functional applications, Mind/Body Skills Training in breathing, relaxation, sensing qi (vital energy) and visualization, plus coaching in constructive feedback and helping students improve their postural alignment. Also includes preparation to teach Qigong Essence: a seated qigong routine for calming, uplifting and balancing energy. Licensed health professionals can document all program elements for reimbursement. Basic Moves, Original TCF Form and sensing qi exercises are included in The Tai Chi Fundamentals® Patient Handout Software database available at Visual Health Information <http://www.vhikits.com/products/collections/TaiChi/TaiChi.aspx>

TCF Movement Refinement Intensives

WPTA CEU- Approved for 3 Contact Hours

NMPTA CEUS

If you already attended a 6-hour Certification Preparation intensive and need further review, this 3-hour intensive can be structured for your needs. You also can take this intensive twice to fulfill the 6-hour minimum intensive requirement for TCF Certification. Ideal for Tai Chi Fundamentals® (TCF) certification preparation and for keeping certification current in both the TCF Adapted Program and Original TCF Program. Great training for class instructors, health professionals applying TCF therapeutically and for enriching personal Tai Chi practice

Yang Style Cheng Man Ch'ing Lineage Form Intensives

3 and 6 hours

Learn exercises for cultivating flexibility, strength, relaxed awareness and skill in sensing qi during form practice. Applications: every breath, gesture and situation of life. Review and refine form sequences of your choice. Includes small group and individual practice. We explore ideas for sharing, self correction, two person work and constructive feedback. Ideal both for enriching personal tai chi practice and developing teaching skills. If you are interested in becoming or already are a tai chi teacher –these are essential trainings.
